Don't Let Your Vehicle Be Next

Protect it with our

Theft Protection Program

- Three traceable identification codes engraved into the vehicles windows or traceable identification stickers applied in four places on protected vehicle, in conjunction with anti-theft warning decals.
- This method is proven to reduce theft by 99%.
- A national tracking service that is accessible by all law enforcement agencies.
- Up to a \$3,000 guarantee, if our program fails and your vehicle is stolen, to help you with any out-of-pocket expenses associated with Vehicle Theft, i.e. Deductibles, payoff deficiencies and taxes and fees on your replacement vehicle.

Vehicle theft has
increased over 65%
in the last 10 years.

“Stolen vehicles worth \$10,000 intact, can be sold for \$38,000 when cut up for parts.”
