# NOW YOU CAN PROTECT YOURSELF IF YOUR CAR IS TOTALED!

THE VALUE YOUR INSURANCE COMPANY WILL PLACE ON YOUR CAR MAY BE SUBSTANTIALLY LESS THAN THE AMOUNT YOU OWE.

*Why take chances with your investment?*

In the event that your vehicle is stolen, accidentally damaged beyond repair, or otherwise declared an insured total loss, your insurance company pays the actual cash value of the vehicle at the time of loss—

*not what the vehicle's really worth to you!*

You remain liable for payment of the difference between your insurance company's settlement and the balance of your loan/lease.

This deficiency, added to the amount of your deductible, time lost from work, rental car costs, replacement vehicle, and other expenses, can easily be thousands of dollars.

*Money that comes out of your pocket!*

\*Vehicle actual cash value (less) consumer deductible.
